## Shipping Information

### Shipping Costs:

We offer free ground shipping within the continental 48 states. Shipping charges will apply to AK, PR, and HI. Shipping and handling charges are not refundable.

### International Shipping:

Currently, we only ship items to the United States and Canada. Buyers are responsible for additional COD charges, VAT, brokerage fee, duty, or custom fees and taxes. Shipping charges will be calculated when you check out. Shipping and handling charges are not refundable.

### Shipping Method:

We use FedEx, USPS, and UPS for fast reliable shipping. We reserve the right to determine best shipping method and carrier available. When checking-out, you can choose from free ground shipping, FedEx Express Saver, 2-Day, Standard Overnight, Priority Overnight or First Overnight.

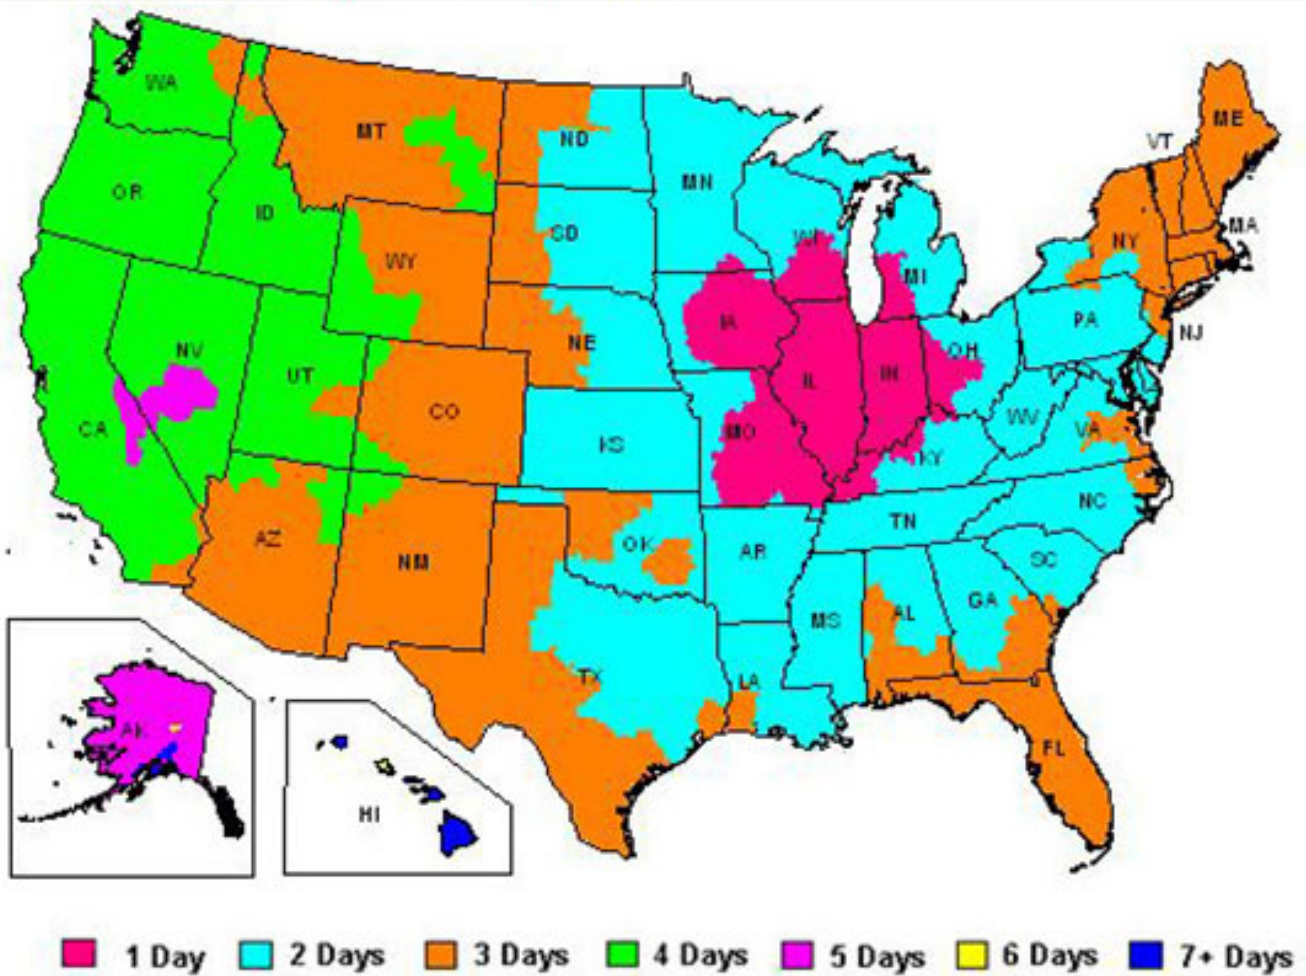

### Shipping Time:

Shipping time depends on the shipping method and carrier. For your reference, please view the following map of transit time of ground shipping from the origin ZIP/Postal code. Please note, this is just the estimated time. It's not guaranteed. If you want to make sure of the delivery date, you must pay for express delivery, including 3-day (express saver), 2nd-day, and standard overnight.
